

March 2016 | Overlook HOA

Hello Neighbors!

The Board contacted Inland Power & Light in early February and reported several burnt-out street lights (3 on Willapa, 3 on Lincoln, 1 on Bolan). Work numbers were assigned; the Board will follow up regularly until they are fixed.

Update on Street Light Repairs:

Date: 03/23/2016

Inland Power and Light has recently fixed 8 burnt-out street lamps in our neighborhood. If you see burnt-out, sputtering/blinking or damaged street lamps, you can contact Inland Power at 877-668-8243 (outage #).

Sincerely,

Board of Directors
