Management Issues

A Board meeting was held on December 1st at the Yokes Grocery Store. The majority of the discussion involved how to structure expenses for private road assessments in the reserve study. The 2017 budget and the legal requirements for disclosure to the HOA were also discussed as elements to be included in the upcoming mailing for first quarter 2017 HOA dues. WEB Properties will provide the Board with a budget by December 14th and the Board will reply with changes to the budget.

Homeowners reported a few issues regarding snow clearing in the HOA that were addressed. A homeowner noted that the mail boxes were not being maintained and it was difficult for people to retrieve their mail. We contracted with C&C to have an area 15 feet long by 8 feet wide cleared in front of the mailboxes per Bob McVicars direction. WEB Properties personnel will ensure that de-ice is put down between snow clearings to maintain the area.

Additionally, because so much snow had piled up on Menaul Ct and Willapa Ct, C&C was asked to move the snow piles in late December. Going forward, the snow on Menaul will be plowed in a pile in front of the yard space adjacent to 5120 Menaul Ct (between 5120 and 5124 Menaul Ct).

Together with the enclosed reports, this should bring you up to date on the status of the Overlook Homeowners Association for the month of December 2016. If there is anything else we can do to be of assistance, please feel free to call or email us.

Sincerely,

WEB Properties, Inc.
